**English version**

FESTES DE LA MARE DE DÉU D'AGOST  
DEL 11 AL 18 D'AGOST

Dear "caimariencs and caimarienques",

Celebrations are essential to the villagers. They bring joy, meetings between neighbors, rising its participation, illusions and a whole bunch of feelings that make us feel like a village with the balcony open towards the horizon. As our elders did, we continue enjoying our traditions, our customs, incorporating new initiatives in which it's the youth who sets the path. It is also essential for a people coexistence, respect, tolerance, values in which we must work day by day.

It is the work of the different groups of people that has made possible this program. We must highlight the great involvement of the young people of Caimari, the ‘quintos’ (Children becoming adults this year), who with their push invite all the families of the town to enjoy all the scheduled events.

Caimari, as the poet says, wants to be a town of peace, warm and welcoming. We must all feel part of its construction, to reveal the immense cultural and heritage wealth, to work for sustainable economic and social development. During these celebrations the town's square becomes the meeting point of the neighbors to celebrate from the tribute to our seniors to the funniest games for children, going through all kinds of sports, festive, solidarity and gastronomic events.

Thanking all the collaborators who make these events possible, to the entities and associations, I extend the invitation to all the people, as well as the welcome to all those who visit us these dates, where the doors of Caimari are fully opened to all.

In my own name and representing the Municipal Corporation, please receive the best wishes for these holidays so we can enjoy them with health, peace and harmony.

Happy Festivities of the Virgin of August of Caimari

Your mayor  
Tòfol Barceló Mestre
